Getting Ready for Ofsted

Further repeats of the interactive workshop that shares The Careers & Enterprise Company guidance on the new framework, what a 'deep dive' into careers at an Ofsted inspection might look like and how this insight can be used to support Careers Leaders to prepare for inspections and use the new framework to influence SLT engagement. This event is open to both Enterprise Coordinators/Hub Leads and Careers Leaders.

This interactive workshop is always highly subscribed and books to capacity with a waiting list for places operating. If you find that you can no longer attend having booked, please let us know as soon as possible so your place can be released to a colleague on the waiting list. The event is not recorded and requires active participation.

18 January **10:00 – 12:00**
